

AMERICORE RESOURCES APPOINTS FOSTER WILSON TO BOARD OF DIRECTORS

September 30, 2026 - Vancouver, British Columbia – Americore Resources Corp. (TSX-V: AMCO | FSE: 5GP | OTC: AMCOF) (“Americore” or the “Company”) is pleased to announce the appointment of Foster Wilson to the Company’s Board of Directors, effective immediately.

Mr. Wilson brings more than 45 years of experience in the mineral resource sector, with extensive expertise spanning mineral exploration, exploration and reserve drilling, resource estimation, feasibility studies, permitting and project development.

From 1990 to 1999, Mr. Wilson was a member of the Technical Services Group at Placer Dome Exploration and has also worked in various technical capacities with Echo Bay and a number of junior mineral exploration companies.

Mr. Wilson served as President of Mesa Exploration Corp. from 2006 to 2021 and as a director of Alpha Lithium Corporation from 2016 to 2023. He currently serves as a director of Global Uranium Corp. and ASX-listed Fulcrum Lithium Ltd.

The Company believes Mr. Wilson’s extensive geological, technical and public-company experience will complement Americore’s existing team as the Company continues to advance the Trinity Silver Project in Nevada.

Justin Hanka, Chief Executive Officer of Americore, commented:

“We are very pleased to welcome Foster to the Board of Directors. His more than four decades of experience across mineral exploration, resource development and public companies brings significant technical depth to Americore. Foster is already very familiar with the Trinity Silver Project and our objectives for the asset, and we look forward to benefiting from his experience as we continue advancing Trinity.”

The Company also announces that Chris M. Healey has resigned as a director of Americore, effective immediately.

The Board of Directors thanks Mr. Healey for his contributions to the Company and wishes him well in his future endeavours.

Justin Hanka
